

## Equity and Justice Working Group, Bangladesh (Equitybd)

Subject: EquityBD planning and strategy matrix for 2009 to 2014

**Organizational objectives:** EquityBD want to be pioneer in campaigning (priority wise) e.g.

- a. **Climate justice (Climate Finance monitoring)**
- b. **Protecting public services (health and education)**
- c. **Human Security (Food sovereignty, water security, energy security)**
- d. **Governance (NGO / CSO effectiveness, WB/IMF reform ethical leadership),**
- e. **Economic Justice (Debt and domination, irresponsible financing)**

At the end of the period; (a) a critical CSO will be developed, (ii) alternative and pro poor options or voices will be heard in national level (iii) expecting more responsible state role in respect of public services, (iv) international campaigns are integrated with fact and figures from Bangladesh, (v) enhance NGO / CSO transparency and accountability
